The Spirituality  
of Laughter

**with Rabbi  
& Comedian  
Bob Alper**

**Wednesday, February 24 at 8 pm**

Bob, who has a doctorate from Princeton Theological Seminary, will explore humor in ancient and modern Jewish tradition and consider why laughter has been such an integral part of Jewish culture. Since he's a comedian, he'll keep us laughing through the program!

Bob has performed at Hollywood's Improv, The Comedy Store, the Montreal Comedy Festival, Comedy Central, and at synagogues across America. He resides in Vermont with his wife Sherri, a psychotherapist. Professionally, he makes people laugh, while she helps people cry.
