

# GABBAI WORKSHOP

JOIN US!  
WEDNESDAY  
EVENING,  
DECEMBER 12,  
6: 20-8pm

Our community is expanding and in transition, and with that we have a need to include and train more people to serve as gabbai'im/guides for the Torah reading.

**Please join us** as we explore participation that serves not only to insure a precise and halakhic Torah reading (learn the guidelines for when/how to correct the reading itself), but also strives to balance the dignity of our congregation, our honorees and of our readers.

Although serving as a gabbai requires congregants who are beyond the age of bar/bat mitzva) *all Torah readers are invited to participate.*
