High Holy Days Guest Admission Order Form 2025
(Family Guest Admission Order Form on other side)

New To The New Haven Area?

We recognize that High Holy Days are a time when having a synagogue becomes important. However, we think that choosing a synagogue is not something to do under the pressure of the holidays. We are delighted that you have chosen to spend the holidays with us and there is no cost for the first year. We hope that you join us for other services throughout the year and next year join us as members!

Guest admission for visiting and local Non-Members
\$150 per adult non-member and \$250 per couple or family

Entire cost will be applied towards BEKI membership if non-members join before June 30, 2026

Sometimes, it's hard to know where or when to call a synagogue home. It can take more than a year. We welcome visitors who are interested in participating in High Holy Day services and getting to know BEKI further. Please know that nobody is turned away because of the inability to pay the ticket fee or full dues. Please also be aware that if you have given up your BEKI membership in the past two years and remained in the area, we are unable to offer tickets to you at this time.
